Begins at 9 a. m.  
And Continues All Week.

## Ultra-Exquisite

Over one thousand dollars' worth of the finest garments of this Under Muslin Sale could not find space in this advertisement for minute description. Fact is, it would be a waste of space to try to give you an idea of their beauty by the use of printer's ink. The most beautiful dresses in gowns, chemise, drawers and skirts, with miles and miles of lace, embroidery and military band effects. Some of them have silkette touches in gaslight shades. Gowns with beautiful neck trimmings. Skirts with tier upon tier of lace ruffles. Chemise with the daintiest and most exquisite touches of the artist's Frenchman. ## GLASS SATISFACTION.

No one likes to wear glasses. But we would be unfortunate indeed if we were deprived of this artificial aid to failing vision. The next best thing to NO glasses is the satisfaction afforded by having the RIGHT glass. We desire to make a walking advertisement of every person to whom we sell glasses, and we endeavor to do it by giving the greatest ease and comfort any glass can afford. We have the adequate knowledge and experience to enable us to do this. If we do you good work you will tell about it sometimes; if we do you bad work you will tell about it ALL TIMES.

Our business is making and fitting spectacles. Our facilities for doing so are not surpassed anywhere. It's our study and our only business. We court comparison in our goods, our fitting and our methods and require but an opportunity to convince the most skeptical. Come and see us. Eyes tested free.
